The confidence that comes from working with the leader.

# Chancel and Platform Furniture

Sauder Worship Seating specializes in all styles of chancel and platform furniture ranging from Traditional, Gothic and Colonial to custom work. We know inspiration can strike anytime, and our local Sales Representatives are ready to work with you on your custom piece. Our experienced craftsmen have the skill and creativity to build anything you can imagine. The following pages showcase a variety of special pieces created to meet the unique needs of our customers.

Sauder Worship Seating also offers an array of standard designs developed to appeal to many styles of worship spaces. Any piece of standard furniture can be modified to suit your design aesthetic simply by adding a routed symbol or an applique.

## Upholding the Tradition

Sauder Worships Seating's first installation in 1934 highlights not only the longevity of our furniture but our ability to craft beautiful, custom furniture from the beginning. The enduring beauty of these furnishings exemplify the standards that have been upheld for over eight decades.

## Share Your Vision

### Service and Attention

Trust your local Sauder rep to listen carefully to understand your vision, then he or she will apply their expertise and experience to help make your project a success.

### Project Management

In addition to a personal sales rep, a team of dedicated professionals is assigned specifically to each project, providing communication, guidance and ensuring peace-of-mind.

### Customize Your Project

We celebrate ingenuity, easily incorporating ideas from you, your architect or designer. From seating throughout the church, to platform furniture, Sauder design experts and craftsmen bring your ideas to reality.

### Church Remodeling

Simply refreshing elements of the worship space can re-energize both the sanctuary and the congregation. Consider new upholstered cushions for solid seating, or reupholstering existing seating.

### Materials and Resources

Built from the finest, responsibly sourced, solid hardwoods, choose from the largest standard specie selection in the industry:

- Northern Red (rift or standard)
- White Oak (rift or standard)
- Cherry
- Maple
- Black Walnut
- African Mahogany
- European Beech

*Please note, chair models other than Oaklok, Paragon, and Unity are made from beech only.*

## Complementary Church Furniture

Simplify the selection and ordering process by coordinating other seating areas in the church with the sanctuary. Visit [sauderworship.com](http://sauderworship.com) to view the many options available including:

- Auditorium seating
- Side chairs
- Dining and cafe chairs and tables
- Sofas, love seats and arm chairs
